

PACKING LIST

All items must be labeled with your child's name. This includes all clothing (including socks and underwear), sports equipment, shoes, and personal items (toothbrush, water bottles, flashlight, toiletries). We recommend [Mabels Labels](#). We also suggest using ink labels (not stickers, even if they say they are permanent) for clothing, as these tend to fall off in the laundry. Laundry is done once per week and clothing is washed by bunk.

BLC Clothing

Brant Lake Camp does not have a daily uniform, but there are times when BLC clothing is worn. All campers should have at least one green and one gray BLC shirt. The rest of the BLC clothing is optional, but many of the boys like to wear it. BLC Clothing can be ordered on our AmeraSport Store:

Bedding

- 2 blankets

All boys should bring 2 blankets. We recommend the **Amerasport forest green ultra plush fleece blanket**, but another style is fine. Please keep in mind large comforters are not necessary and difficult to wash.

Brant Lake provides a bottom sheet, pillow, and pillowcases. Campers are welcome to bring their own sheets or pillows, but they are not required. Please be mindful of the size of any additional bedding you send. Large egg crates/mattress pads often do not fit under camp sheets and cannot be washed in our laundry facilities.

Camp will supply additional blankets for particularly cold Adirondack nights. Campers will **not** be permitted to sleep in sleeping bags as it is not hygienic to do so for an extended period of time.

PACKING LIST CONTINUED

Valuables at Camp:

Camp bunks are not conducive to the protection of valuables. Boys should therefore avoid bringing items that they will regret bringing if lost or damaged. Unfortunately, some things can disappear over the course of the summer, and we cannot be responsible for lost or broken items.
